## ***Living on Mission-Developing a Lifestyle of Disciplemaking Where You Live, Learn, Work, and Play* by Russ Reaves**

What comes to mind when you think of a missionary? Maybe you imagine someone who moves to a faraway land and learns a new language to reach others for Jesus. In many cases, that is true; but what if God has placed you in your community, your workplace, your circle of friends and family, to be His missionary to the people with whom you interact regularly? Every follower of Jesus has a commission (a Great Commission!) to live on mission daily in a world that needs His good news. We'll discuss how to live with this kind of gospel urgency and intentionality as we go about our daily lives.
